TEAM MEMBER HIGHLIGHT

Meet our esthetician Rebecca Fish! She went to Capilo and has extensive training with Dermalogica and Jane Iredale.

BEAUTY TIP Start a daily skincare routine for yourself. HER TOP PRODUCT PICKS!

Precleanse by Dermalogica- "It's one of my favorite products from our skin care line. I use this twice a day, in the morning and at night. I use precleanse on my super sensitive skin and it never leaves my skin irritated or red. It's great for removing makeup, it works like a charm."

Moroccan Oil Dry Shampoo Light Tones- "My beauty routine consists of alternating hair wash days with dry shampoo days. It enhances my blonde tones, volumizes and doesn't leave my hair with any sticky residue."

Jane Iredale POMMISST- "This product is an essential in my beauty regimen. I use this every morning to set my makeup. I also keep this handy and use throughout the day for extra hydration."
