WHAT'S NEW?

This month we are so happy and excited to be introducing a new product line, R+Co! This line is about the experience. "The packaging and fragrances were designed to enhance that experience and evoke a feeling, place, style or attitude. You'll know just by at a bottle or tube what a product is meant to do, and the subtle yet sophisticated fragrances-meant for both men and women."

R+Co is formulated without parabens, sulfates (SLS or SLES), mineral oil and petrolatum. This product line are all vegetarian, cruelty-free, gluten-free, and color-safe.
